PRESIDENTIAL ADDRESS:

HAPPY NEW YEAR!

As I am gathering my thoughts and thinking how fast time goes by I reflect on 2010. It seems like we just started 2010 and it is already in the past! Time is so precious. In planning for 2011 and setting our resolutions may we make sure we keep our club & fellow Kiwanians in mind. Is there anything that needs to change to make us stronger or do we need to add a new service project or fund raiser event? Change is a good thing! Membership is always an area where we can improve. Make it a goal to invite a guest and share your Kiwanis experience. Be open at our meetings if you have new ideas or if you would like to change what we currently are doing. I welcome your ideas. May 2011 be better than 2010!
