PRESIDENTIAL ADDRESS:

Fellow Kiwanians!

The month of May is here along with spring flowers, however, we are still waiting for the nice weather. I am sure many of you have your fishing trips planned along with many other activities that occur this time of year!

This is the time of year that we begin to plan many of our Kiwanis activities. I invite each of you to participate and give some time to at least one of the activities but especially plan to help with the pancake breakfast and the fair booth. These are our two largest fundraisers and there is plenty of time to mark your calendars now. Both of these events give us the opportunity to market our club and talk to many people about our organization. Please consider helping our club. Little Olympics is around the corner so if you can we need your help for that activity too!

Thanks to those that have invited a guest to attend our meetings.

It is time for election of new officers. A nominating committee will be formed shortly so please consider taking on this role. It is rewarding to serve and our club continues to come together with ideas etc to remain successful.

Happy Spring!
Shirley Hubert
